

# Early Bird Fact Poster Incentive

For every \$250 raised\* each team may submit a professional photo of their family member with Down syndrome for a fact poster to be used along the walk route (maximum limit of 3 posters per team). These posters are displayed along the entire walk course and contain educational and fun facts about Down syndrome.

The deadline for donations to be eligible for the Fact Poster is September 2, 2018!

The photo session this year will be taken at the Images for a Lifetime Studio. Erica Thompson will schedule a promo session and waive the \$30 sitting fee for DSAF members. The focus of the 15-20 minute photo session will be your family member with Down syndrome. This session fee waiver is for your 'star'. For a small additional fee Erica will extend her photo session to include other family members to photograph as well.

You will be able to purchase the digital images at a reduced price.

If you are unable to take advantage of the free photo sessions we would encourage you to have your photographer contact Erica about the design for the posters this year so that we can have a cohesive look for our posters.

Call and schedule your family/child sessions now. Call Images for a Lifetime at 402.325.0057. When you call be sure to let them know you are a member of DSAF.

For quality purposes only professional photographs will be used for the Fact Posters. We will need written permission from the photographer to use the photos.

\*Having photos taken by Images for a Lifetime does not guarantee a Fact Poster. Your team must raise \$250 to earn each poster (up to 3 posters maximum).

\*Pledge money must be received between January 1, 2018 and September 2, 2018.

If you have any questions please contact DSAF at 402.421.1338.
