

STARS Display

We would like to acknowledge each individual with Down syndrome by displaying a free poster in the Stars Display at the walk. All individuals with Down syndrome have amazing talents and abilities. Individuals with Down syndrome make us all realize and appreciate that the smallest accomplishments are HUGE that others may take for granted. The DSAF wants to recognize all the accomplishments of our membership of EVERYDAY STARS.

Please fill out and mail or email the STARS biography information below and include a high quality picture of your family member with has Down syndrome. DSAF STARS BIO Information is due **September 13, 2018** to Tina Barrett at tina@nfbf.net or mail to the address below. Portrait orientation photos work best. Mailed photos will not be returned.

The STARS BIOS will cover the walls of our DSAF STARS DISPLAY at the walk (see map for exact location). They are FREE and can be made for any individual with Down syndrome. They are different from the Fact Posters that are an early fundraising incentive.

Be sure to pick up your STARS BIO after the walk to take home with you!
