

## When Lincoln Comes Together, BIG Things Happen

For 24 hours, on Give to Lincoln Day, every donation given to local nonprofits is made bigger by matching funds.

It is one special day when everyone in Lincoln is asked to make a donation showing their support for the organizations that contribute so much to our great city.

## Gifts Given on May 26 Make a BIG Impact

Every donation given makes a bigger impact because nonprofits also get a proportional share of a \$300,000 challenge match fund provided by Lincoln Community Foundation and their sponsors.

For example, if a nonprofit received 1% of the total donations raised during Give to Lincoln Day, they will get an additional \$3,000 from the Challenge Match Fund.

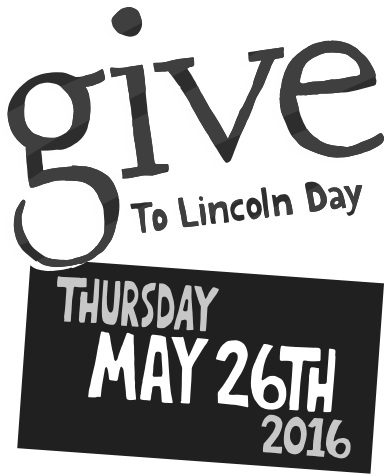

Additionally, West Gate Bank donor drawings will occur hourly on Give to Lincoln Day. An online donor will be selected at random and \$300 will be added to their nonprofit gift.

## BIG Purpose, Big Love

Give To Lincoln Day's purpose is to raise awareness of current philanthropic needs and opportunities in our community.

All nonprofits recognized as 501(c)(3) public charities, which have an office in and serve the people of Lincoln/Lancaster County, are welcome to participate by registering at [lcf.org/community-initiatives](http://lcf.org/community-initiatives). Houses of worship and their foundations are excluded from participating.

Give To Lincoln Day efforts are designed to help increase public awareness of local nonprofits, build their capacity and inspire donors to support the causes they love.
